

LANCOM Visio Shapes 03/2025

LANCOM Systems offers its own Visio shapes (vss files) that can be used in the Microsoft Visio visualization software.

In the device overview from page 5 you can download the Visio shape for the corresponding device directly by clicking on the download symbol [↓](#) left to the device name. The Visio shape can then be added to your Visio drawing.

A compressed file with all LANCOM Visio shapes shown in this document can be found under [this link](#).

A click on the page headers in the device overview will also take you to the corresponding device category on the LANCOM Systems website.
